

# Academic Environment

The University considers both the in-class and the out-of-class learning spaces to be equally important. Thus, in both cases, we strive to create environments conducive to optimal learning. Cell phones are to be turned off at all times while classes are in session so as not to interrupt the flow of instruction and learning. Laptops should judiciously be used only for course materials while classes are in session. Additionally, children are not to be brought to class without special permission from the ADSAA. Students who violate this policy may be asked to leave.
